DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on 9/22/04 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 6.514,139 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 21-29 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a networked system of pay to play video game terminals where only a limited portion of the series of games available for play are eligible for additionally entering a registered user in a random draw. This arrangement allows the system operator to influence the player's decision with respect to what games are being played and to encourage players to register and thus obtain entry in the random draw.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
